Subject: Notification per PRN 98-10 – Minor label changes to marketing claims and ingredient statement
Product Name: WOODSTREAM BORIC ACID POWDER FORMULA #1
EPA Registration Number: 47629-3
Application Date: 6/19/2017
Decision Number: 530629

Dear Mr. Mongiovi:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Angela Hollis at 703-347-0216 or via email at hollis.angela@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich". The signature is cursive and somewhat stylized, with the first name being more prominent.

Elizabeth Fertich

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To control cockroaches (German), ants, silverfish, spiders, and beetles: Shake well. Twist until open. Holding bottle at 45-degree angle, powder should flow freely when squeezed. For faster application, remove top. Apply liberally, scattering under and behind refrigerator, stove, sink, dishwasher, washing machine, dryers, wash tubs, around drains, water pipes, electrical conduits, cracks and crevices, along baseboards and corners of cabinets, and behind bedroom dresser and nightstand drawers.

Apply every 14 days, if necessary. Any powder visible after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets.

Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs.

This product may be used in homes, markets, schools, locker rooms, warehouses, factories, hotels, hospitals, garages and apartment buildings.

This package is sold by weight. Top of bottle is left empty so powder will dispense and flow freely from bottle when squeezed.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool dry area away from heat or open flame and inaccessible to children.

DISPOSAL: If empty: Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

MASTER LABEL- BACK PANEL (PAGE 3 of 3)

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
